

Mark your calendars! 2011 Summer Program

We offer a ½ day or full day recreation based day program for children age 7 to 19 and a play program for children who are 4 to 6 years of age. The programs are based in a City of Saskatoon Elementary School. Activities are planned for the participants both in the school and in the community. We plan activities appropriate for the age, interests, and skill levels of the participants. Examples of activities include swimming, bowling, mini golf, Ruckers, and trips to the Zoo or Kinsmen Park.

The programs are staffed by bright, eager and trained young staff that will provide your child with a safe and fun summer experience.

Summer Adventure (formerly Respite Recreation)

These weeks are designed for participants 11 to 19 years of age, diagnosed with autism, **who require high levels of 1:1 supervision and support to ensure safety within the program and the community, as well as a pleasant time.** Applications will be reviewed to ensure a proper fit between program and child/youth.
